

College Courses

Cocklebury Farmhouse Homes is working in partnership with Wiltshire College to provide its residents with affordable access to college courses. This summer we will be running an “Art and Craft for Wellbeing” course that has been co-produce with the residents. The residents will be experimenting with a variety of media including painting, papier-mâché and photography. We are all looking forward to brightening our walls with some new masterpieces.

Andrew recreating an apple tree in acrylic paint.

Adam baking pastry at the farm cookery school, Bromham

Chris painting the chalet doors from his last holiday in St Ives.

Spring has sprung

Andrew has taken a keen interest in preparing the gardens ready for the summer.

Coronation Fete

Greenway park held a fete to celebrate the coronation with a BBQ and party games.

Down the Local

Forging relationships with local businesses such as the Three Crowns Pub in Chippenham.

Rock Concerts

Daniel enjoying a gig at The Louisiana club in Bristol.

LOOKING FORWARD TO: ANN'S "RACE FOR LIFE"

Our own Ann Brenner will be raising money for Cancer Research UK and taking part in a 5k Race For Life event. The charity is close to Ann's heart as her mother sadly passed away from cancer a few years ago. If you would like to support Ann the event takes place on 2/7/23 at Royal Victoria Park, Bath.

Ann also has a giving page:

<https://fundraise.cancerresearchuk.org/page/anns-giving-page-755> or scan the QR code to access her page.
